Goodbye to our Bus Stop!

It was shocking to learn that buses 5 and 6 no longer use the bus stop near Blisworth. The choice if you are travelling south is to get on or alight at the stop south of Passmore which is a much greater distance and an extra problem for those with mobility issues because of the steps. Alternatively you can walk all the way to Ashland bus stop.

Please help us reverse this decision by:

- Contacting the Arriva bus company.
pressenquires@arriva.co.uk
- and/or Adele Wearing who is the MKCC transport officer.
Adele.Wearing@milton-keynes.gov.uk
- Starting a petition

Your Councillor, April, has written to Arriva and they answered to say that they are going to do risk assessments of the two remaining bus stops and will respond. Deanna has written on behalf of the Residents' Association.

Please write and complain about the bus change. If more residents do this we might get a positive result.

number 1105687 and SC027990 in Scotland

Crime of one sort or another is all around us. There has been a spate of thefts at the Tesco store; paraphernalia of drug use including needles is found in our parks, playgrounds and public spaces; there is domestic violence, etc. Drinking alcohol at the local shop/kebab van/bench is a crime. If you are caught, you will be fined.

PLEASE make sure you report ALL crime to the police.

On D-Day 6 June we celebrate 80 years since the allied victory in Normandy over the Nazis. The Normandy landings began the liberation of France and eventually of Western Europe from tyranny. Others gave their lives so that we may be free.

Your dog - Your poo!

Bagged or not, there's dog poo everywhere on Tinkers Bridge at the moment.

It's disgusting behaviour by dog owners. If you need poo bags then simply let April know. There are 3 dog poo bins on Tinkers Bridge and if they are too far away then bag it, take it home and put it in *your* black bin or in any of the other public bins on the estate. Not picking up your dog's mess or not disposing of the poo responsibly is an offence that carries a fine.

Barbeque & Fires

If you are thinking of enjoying a bbq or lighting a fire in your garden, please do so safely. Avoid windy conditions. Light fires in fire pits well away from buildings and sheds. Ensure there are no flammable liquids close by. Keep fires and bbqs well attended and make sure they are out before they are left. Please advise neighbours in plenty of time before you are about to have fire. Some people are poorly and the smoke really affects their breathing.
