Goodbye George Happy Retirement

On the 29th of April 2023 residents from Tinkers Bridge and surrounding estates waited outside Tesco Express to wish George a

happy retirement. Councillor Donna Fuller gave George a certificate from the Woughton Parish for his 28 years dedicated service. Residents Association members on behalf of residents handed over a book of messages and gifts to thank George.

George has seen many generations come and go, he always asked after everyone and knew everyone by name. A true gentleman who will be missed, but we look forward to his visits as a retired gentleman.

Rubbish on our estate

If there is rubbish outside your home will you pick it up and pop it in the bin, or report the mess left behind. Either way pride in our area makes the community look a little better. Thank you.

Note - cardboard needs to be broken down and bagged, bin men will not take it otherwise.

Rubbish is not to be put out before Tuesday evening for collection Wednesday morning.

Please park considerately. Recently the bin truck could not get down some streets due to cars parked on the road.

Do you have a daughter aged 4 -18 who is looking for something to do in the community. Rainbows, Brownies, Guides and

Rangers is run locally at Charles Warren Academy on Tuesdays.

Thank you John Orr

As residents of Tinkers Bridge we would like to say a very big "Thank You" to John Orr for standing as our Councillor over the years. John remains the Chair of the Tinkers Bridge Residents Association. April Rennie has now taken the position of Councillor.

Coronation Celebrations

Courtesy of MK Council, the volunteer team staged a highly successful event celebrating the coronation on Saturday May 6th. Despite the pouring rain, folk then energetically danced or swayed to the music of Darren Fuller, patiently queued for face painting and munched their way through the most delicious braai food ever. Inside there were a bumper raffle, activities for the children, drinks and food and an opportunity to sit and chat out of the rain. In short, a good time was had by all.

Thank you Milton Keynes Council for funding, Woughton Community Council for loaning equipment and support, Elwira Jarzyna and Tesco Tinkers Bridge for supporting, Lynsey Marriott and Morrisons Milton Keynes Leisure Plaza - Community Champion for discounts and support, Palmers Butchery and Uni Bake for donation of rolls.

Dates for your Diary

All events are at the Tinkers Bridge meeting place unless stated otherwise.
