- **Valentines Disco-** Nikki explained Valentines Disco ideas. Junior RA voted that they would like to be involved in Valentines Disco. They also voted that there should be 2 discos for different age groups; 4.30-6 for under 11s and 6.30-8.30 for 11 & over.
- Some Junior Residents then took some time to write down the ideas they had come up with since the last meeting. Whilst those that weren't at last meeting started making posters for the Disco. The ideas were presented back:
 - o Natasha & Darius- Ideas for **young people hangout** were Astroturf, Sports Park, games sessions run in courts, sheltered seating area. And that they need to fundraise to buy these sorts of things. Ideas for fundraising were, they could do running, funday, cake ale, disco/party. This idea provoked idea to have **stall at Valentines Disco**, they thought they could make up bags of pick and mix sweets to sell to the children, and make cakes. Also a Lucky Dip. Rebecca to arrange getting materials for this with Natasha and Darius.
 - o Quaid – **Drama Club**/performances, could use for events to raise money. He also thought that the Junior Reps could have Jumpers to make them recognisable.
 - o Ryan – **Street Patrols**, checking areas etc., including posters on stop bullying.
- **Valentines Posters** were made and Rebecca took them to advertise Disco.
