5. **MK regeneration and RoRE.**

There was a Big Conversation planning meeting on 5 April that looked at the indexes of Multiple Deprivation. Each RA was asked to list the top 3 priorities on their estate. Then a few case studies about regeneration in other places. It was clearly stated that there is a need to build trust between MKC and residents before anything else. A positive meeting overall.

There is RoRE meeting on 3 May. Another follow-up Big Conversation meeting is scheduled for 24 May and should include Ward and Parish councillors.

Terry said that one thing that came out of the meeting on 24 April was that the council members would like to come to the meetings.
